

Rooster

Put on your mask and crow like the rooster in the Journey 5 Flowers, 4 Stories, 3 Cheers for Animals!

Fold upper beak (below) down the middle to make a tent shape. Fold yellow tabs under and tape or glue them to the mask.

Glue or tape lower beak to mask first.

Attach upper and lower beaks here, aligning with yellow shape.

Cut out eye holes.

Punch out the black holes on both sides for string.
